

Voice **OF PEOPLE OF MANIPUR**

British defeated Manipur in a declared war of 1891

Manipur State forfeited to British Crown and paramount power

Manipur was not annexed by British Government to British Empire

Manipur was not a British Colony

Manipur was remained as a State with internal sovereignty

Manipur was ruled by native King under the suzerainty and paramountcy of the Crown

We got independence from British and Crown paramountcy

We retaken or restored sovereignty of the State from the British Crown paramountcy on 15 August 1947

Manipur is an independent sovereign State

- Indian Government interfere in the internal sovereignty of the State
- Indian Government illegally overthrown the constitutional Government of the State of Manipur and India occupied Manipur State since 15 October 1949.
- Indian Government threatens and forced territorial integrity and sovereignty of the State

We denounce and oppose de facto election of India conducting in Manipur under the Republic Constitution of India.

We want de jure election in Manipur to conduct under our de jure Constitution. We have legal Constitution enacted by His Highness the Maharaja of Manipur as a sovereign authority on January 1947.
